To the Dresden BIA, the Downtown Merchants, and Volunteers,

Greetings.

I regret that I am unable to be with you today. However I wish to take the opportunity to congratulate all those who are participating in the “Let’s Paint the Town” project.

This is a great idea, one showing community spirit and pride in this beautiful town of Dresden, as well as being a step on the way to downtown renewal and the promotion of small town business.

I look forward to viewing the finished result when I next pass one of my favourite streetscapes in the riding of Lambton-Kent-Middlesex.

Thank you.
